

How to Join Class with Google Classroom

A Google Classroom has been created for this class. To access Google Classroom, go your child's Gmail or School Email Account*

*Some classes require the student's school email address and some require a personal Gmail address, as indicated in the enrollment confirmation.

1. Click on the 9 squares in the upper right-hand corner

2. Scroll down until you see the Google Classroom Icon

Classroom

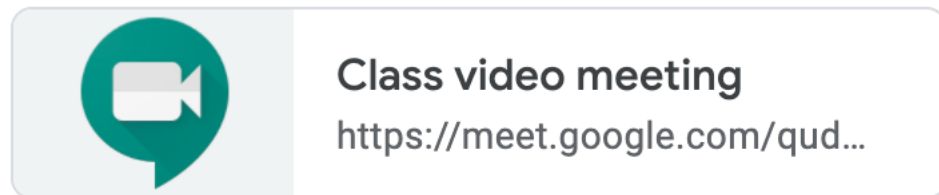

3. Click on the icon
4. In the upper right-hand corner of the Classroom screen, there is a plus sign +. Click on it and select "Join Class."

5. You will see:

Class code
Ask your teacher for the class code, then enter it here.

Class code

6. In the Class Code box, enter the 7-digit class code that was provided in your enrollment confirmation. Then click "Join" in the upper right-hand corner.
7. In the Classroom Stream (the running list of announcements and assignments), you will see a link to the class video meeting. Click on it.

8. You will be let into the meeting by the instructor

If you are not able to access the meeting, call or text Liane at 203-912-4068.
